Subject: In Response to the Draft B Zoning Regulations for Ravalli County

Dear Ravalli County Employees,

I have lived in Ravalli County for the last 4.5 years. I value my freedom to own land; to be an accountable user of it; and to protect my property rights.

Draft B Zoning Regulations for Ravalli County takes away my freedom as mentioned above. IT TELLS ME WHAT I CAN AND CAN'T DO ON MY PROPERTY. This Draft B is a thief without a gun!

This Draft B does not follow the Constitution. It violates the United States Constitution and the Montana State Constitution. It violates my due process and property rights. It does not comply with the Montana Statues Governing zoning. It is not lawful for zoning to be based on density.

My freedom is taken away when The County will not allow me to vote on this issue. Please place this on the November ballot.

Thank you, Betty Jo Banister
