This is in regards to the proposed quarry on Lost Horse Rd.
I live nearby and bought my home just two years ago. The amount of time I've lived here pales to the years the people most affected by this decision have lived in their chosen area.
The impact of the large trucks that have already made grooves in the highway north of Hamilton will be horrendous.
The alternatives available certainly offer a better solution to this assault on a pristine special area of the Bitterroot valley. Thank you, Elizabeth Terry
