Mr. J. Kirk Thompson
852 Willoughby Ln.
Stevensville, MT 59870

RECEIVED
NOV 16 2007
Ravalli County Commissioners

NOV. 12, 2007

RAVALLI COUNTY ROAD DEPARTMENT:

The attached map shows locations on Willoughby and Groff Lanes where county speed limit and advisory signing is not correct for road conditions. Sharp crest vertical curves with road or driveway junctions at the crest are especially dangerous. Incorrect signing is worse than no signing at all, and probably subjects the county to increased liability in the event of a significant accident.

AASHTO guidelines should be used to determine safe speeds based on road curvature and/or sight distance.

Thank you for your attention to this.
